The official newsletter of Roos Orthodontics: Winter 2016

As you know, we place a great deal of importance on KINDNESS at Roos Orthodontics, and we value the reflected kindness we receive back from our patients year round.

As the year draws to a close, we are grateful for our wonderful patients and their families. We enjoy working with you all to create beautiful, happy smiles. Thank you for choosing our Team to help you on this journey.

We wish you all a very Merry Christmas and look forward to seeing you in the New Year.

The Season for Giving

Each year Hopelink serves more than 64,000 homeless and low-income families, children, seniors and people with disabilities in north and east King County; providing stability and helping people gain the skills and knowledge they need to exit poverty for good. During the holiday season Hopelink transforms its food banks into holiday gift rooms offering new toys and new clothing for children who are clients of Hopelink, to make their holidays brighter.

This Season, Roos Orthodontics is partnering with Hopelink in this spirit of GIVING! We invite you all to drop off any new unwrapped toy to our office by December 19th to help bring Holiday cheer to those in need!

No appointment in December? Drop by anyway! Thank you.

New Faces...

...when you get your braces!

My name is **Amanda** and I moved from the heart of England to the beautiful Pacific Northwest with my family in 2010. You will probably know me as the gal on the front desk with the funny accent! Both of my kids and myself are patients of Dr Roos, although working in the field of orthodontics is new to me. I am seeing the process from 'the other side' and love getting to know all of our patients and watching their joy as they progress through their treatment to a fabulous smile. When I'm not in the office, you're likely to find me on the soccer sidelines watching my children and husband as they play, coach and referee around the Puget Sound. In brief breaks from footy, I enjoy exploring the area and taking lots of photos of trees, as well as sampling all the yummy delights to be found in the region!

Coming SOON!

We are excited to announce that from January we will be offering **ONLINE BILL PAYMENTS** for all of our patients. More information to follow as soon as it is up and running!
