## Giving Back

Each year at Roos Orthodontics, we run our Annual Staff Pumpkin Decorating Contest throughout the month of October. All the wonderful creations are on display in our office—as well as on our Facebook page. Patients are invited to vote with their pennies, for their favorites. This year, as in previous years, all the money raised will be donated to our neighbors, HOPELINK. Hopelink is the largest social services agency in north and east King County, serving over 64 000 people annually in an 800-square mile area.

In 2016, this included 21,641 clients who received community services (food, shelter, heat, employment and adult education, etc.) and 43,994 people who were served through Hopelink's transportation program.

Hopelink's vision is a community free of poverty, and their mission is to promote self-sufficiency for all members of our community; helping people to make lasting changes in their daily lives.

Even if you don't have an appointment before the end of the month, we invite you to stop by and see the pumpkins for yourself—and of course to vote! Every little bit helps someone in need.

Thank you and have fun voting!

# Contest Winners

We appreciate all of our patients  
– and particularly all those who qualify for our  
monthly
