March/April 2018

Appointment Scheduling

This very unspring-like weather is turning our thoughts towards summer and vacation planning! Be sure to schedule your orthodontic appointments well in advance so that we can accommodate your plans as best we can. Believe it or not – summer is just around the corner!

School wide testing starts in May – check now with your school for dates and times to avoid conflicts with your orthodontic appointments.

We recommend that you schedule any future appointment at the current one.

April Office Closure

Our office will be closed April 2nd – 6th to allow Dr. Roos and his team to spend time with their families.

New faces...

... when you get your braces

Welcome to our newest Team member Mitra, who is completing her dental externship at Roos Orthodontics.

"I'm new to orthodontics but I already love it! I like to work and keep busy but in my free time I like to read and spend time with my family and friends. I especially like to make people laugh whenever I can!!"

And a familiar face in a NEW place...

Former Treatment Manager Tracy, is bringing her skills and insights into orthodontic treatment, to our Front Office. Be sure to say "hi" to her at your next appointment!

Thank you!

Thank you for your reviews and referrals. We appreciate your confidence in our Practice.

Contest Winners

We appreciate all of our patients – and particularly all those who qualify for our monthly

GREAT PATIENT DRAW!

Congratulations to our **FEBRUARY** winners and a big thank you to their Dentists for partnering with us on their care.

Jonah M. | Dr. Agarwal

Margot S. | Dr. Hagel
